# BATH ACADEMY JUNIOR SUMMER SCHOOL

**HOMESTAY AND RESIDENTIAL**

**JUNE 24TH - AUGUST 16TH**  
**2019**

Bath Academy's well-established Junior Summer School is the perfect choice for teenagers who want to study English in a beautiful city that is not only considered one of the safest in the UK, but is also full of culture and history.

A designated UNESCO heritage site, we are located in the heart of Bath, a busy and vibrant university town with plenty of sporting and cultural activities. Surrounded by beautiful countryside, we are able to offer our students a variety of excursions around the beautiful south-west of England.

Bath Academy offers fantastic residential accommodation; we have our own boarding houses for groups and individuals (limited numbers) as well as homestay options. We offer more residential accommodation options with the University of Bath (from May - August only), the YMCA, and Serviced Apartments. All locations are located at a short distance to the Academy.

We welcome students from all over the world, including both individuals and groups. Aimed at 12-16 year olds, classes have a maximum of 13 students per class, and all our teachers are fully qualified English Language teaching professionals, vetted according to British Council and UK standards.
