What is a Certificate of Acceptance for Studies (CAS)?

UK Visas and Immigration rules require Bath Academy to sponsor your application for a Student or Child Student visa (not to be mistaken for financial sponsorship). A CAS number confirms that Bath Academy have made you an offer of a place to study with us, and that you have accepted this.

The CAS number is linked to an electronic profile of your course titles and dates, the qualifications Bath Academy assessed you on and the evidence used to assess your level of English language. Your CAS number can only be used for one visa application.

To begin the CAS request process, students will need to have received an unconditional offer from Bath Academy, will need to accept the offer of the place on the course and have paid the deposit of fees and all forms completed and returned.

How Will I Receive my CAS?

Once you have accepted your place at Bath Academy by paying the deposit of fees, you will be asked to provide information which is used by Bath Academy to issue your CAS.

A CAS **will not** be issued until Bath Academy has received a copy of:

- Your Passport
- Any previous UK Visas
- Your educational certificates
- Evidence of English Language (if applying for a Student Visa)
- Fully completed Application form, Registration form, and other College acceptance documents
- Bank Statements and Financial Evidence
- Birth Certificate and Letter of Parental Consent (if student is under 18 or using parent(s) bank statement)

Bath Academy will only issue a CAS after we are satisfied you will be able to meet the requirements for a successful Student/Child Student visa application, including the maintenance requirements (if required); <https://www.gov.uk/student-visa/money>

Does a CAS guarantee my Visa Application?

A CAS does not guarantee that your visa application will be successful. It is your responsibility to make sure that you meet the criteria for your Student/ Child Student application, ensure you read information from Bath Academy Admissions Team as well as the Student & Child Student policy guidance:

<https://www.gov.uk/government/publications/points-based-system-student-route>

Should I Apply for a Student or Child Student Visa?

Students under the age of 18 can apply for a Child Student Visa.

Students age 16 and over, and who will be studying the University or International Medical Foundation Programme **must** make a Student visa application.

The Admissions Team will confirm which visa you should be applying for during your application.
